Secretary: Daniel Smith

ERISA, Staying compliant

The Employee Retirement Income Security and setting minimum standards for employee benefit plans

Edward Komito

The founder and President of Elk Capital Advisors, LLC an independent Registered Investment Advisor located in Allentown, PA. Ed has extensive experience in both the financial services sector. His focus includes wealth management, financial planning and retirement planning. Ed has worked in both Fortune 100 companies as well as owning his own businesses, attended Fairleigh Dickinson University in New Jersey where he received his Bachelor of Science with a dual major in both Finance & Economics. After graduating Fairleigh Dickinson, Ed went to work for American International Group in the Financial Services area. He later moved to Swett & Crawford where he continued his underwriting career, rising to the position of Senior Underwriter. After the sale of Swett & Crawford to a competitor, Ed transitioned careers successfully spending the next 16 years as a commercial roofing and sheet metal contractor, working throughout the northern New Jersey area on commercial, industrial, institutional and governmental projects. In late 2000, Ed returned to financial services, working first for Morgan Stanley where he received the prestigious National Sales Directors award and later for Merrill Lynch before starting his own investment advisory practice.

Ed's practice focuses primarily on small businesses and high net worth individuals, especially in construction and allied fields. Ed has two children; a daughter who was recently admitted to practice law in Washington DC, and a son who is currently a supervisor performing various types of underwater welding.

Rich Durant

has spent 10 years in the Health & Welfare Industry with Health America and Aetna and the last 5 years at TASC helping Employer Groups and Employees save on Taxable income, Managing Pre-Tax Employee Benefits, comply with State and Federal Continuation, FMLA, and Remain Complainant with Federal ERISA Regulations.
