Long Term Strategies to bend the healthcare Curve

Todd M. Linn is the manager of the group benefits division of HMK. Todd started his career in 1995 working on the carrier side of the business shortly after graduating from Dickinson College. Todd joined HMK in 1999 to oversee the personal lines division and shortly thereafter created the benefits division to offer personalized, innovative, and cost-effective solutions to meet the unique insurance needs of each of the firm's clients. Todd serves as the lead to assure successful completion of all consulting services including executive level client interface and final review and approval of all client deliverables. Todd holds a CIC designation (certified insurance counselor), has sat on the education committee of the Lehigh Valley Business Coalition on Healthcare, the healthcare committee for the Greater Lehigh Valley Chamber of Commerce, past

legislative chair for the Northeast PA Association of Health Underwriters, has won the SUITS award for insurance, and Eastern PA Business Journal 20 under 40 award. Todd has presented and facilitated seminars for HMK clients regarding Healthcare reform, H.S.A & H.R.A.'s, and implementing wellness in the workplace. Todd resides in Salisbury Township with his wife and two children.

This session addresses the Long term strategies to bend the healthcare curve. Todd will speak about:

- * Level Funding
- * Captives
